Mobile phones are not usually allowed by Hilltop but will be permitted under the school use policy at the pupil's own risk and responsibility, for loss and/or damage.

# Art Workshop

The first of two art workshops that we have planned for this term took place this week, led by local artist, Andrea. Pupils created a portrait of a cat on velour paper with some fantastic results.

## Stamford College

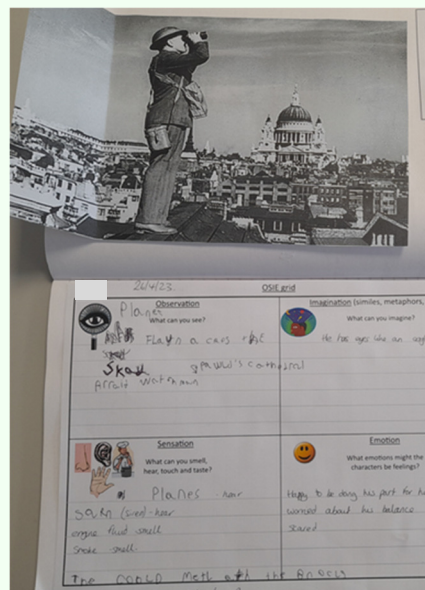

As part of our next steps preparation, we have been linking up with colleges in the area so that our students can have a taster of what college life is like. This week, we visited Stamford College and everyone was really impressed. Some pupils felt that they could see themselves in a setting such as Stamford College in the future, expressing interest in drama, health and beauty and animal care.

Therapeutic Gardening

Social Time

## Descriptive Writing

Cherry Class have worked hard to understand and remember different language techniques for description, and have enjoyed putting their ideas onto paper as they plan and prepare for a larger piece of descriptive writing.

Adventure Golf at Rutland Water.
