Weekly Newsletter - Summer Term 1

## SPECIAL EDITION

Welcome to our Hilltop "Special Edition Newsletter". A group of intrepid adventurers travelled to Hilltop Outdoor Centre in Sheringham for 2 nights, 3 days of outdoor adventurous activity and challenges. Our pupils had the opportunity to test their cooperation skills, working together to keep each other safe on a range of activities that also challenged their thinking and physical skills and then some that really tested their nerves and resilience to push themselves out of their comfort zones. A trip out to see the seals of Morston Quay was another trip highlight, with lots of speculation about whether member of staff Danni was going to say goodbye to her breakfast as a result of the choppy sea that morning! Pupils enjoyed late night hide and seek in the woods, with Megan stealing the show with her stealth-like ability to avoid detection from the seekers on multiple occasions. The Zip Wire and High Ropes tested the nerves of all staff and pupils and the agility and assault course left everyone who tackled it gasping for air, apart from Darragh who effortlessly left Jamie in his wake! The behaviour and attitudes of all pupils was absolutely outstanding and we hope to have many more adventures at Hilltop and beyond in our coming years.

Our accommodation at Woodland Lodge

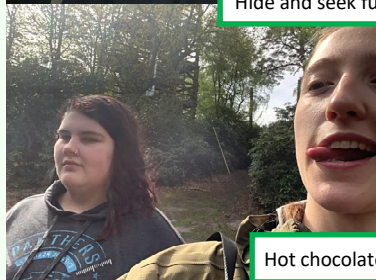

Fun and games at Woodland Lodge

High-ropes action!

Hide and seek fun!

Hot chocolates and biscuits before bed... yum!

Making sure our safety gear was on securely

Cooperation... and chaos on the Zip-Line!

Agility and assault course fun!

Seals and smiles all round :-)

Evening coastal walk to Sheringham
