learning for life  
to life*

### Rutland Show

At the beginning of June, gardening club took part in the 190th Rutland Show. Their aim was to plant a huge tyre with beautiful plants and flowers.

They took on the challenge with the theme of William Morris, repeating patterns.

They went to the showground 10 days before the event and planted up their tyre in the pouring rain.

The showground then kindly cared for the tyre until show day.

Everyone is absolutely thrilled to have received a Gold Rosette for gaining

**1<sup>st</sup> place!!!**

The prize was a fabulous hand made planter and lots of plants that had been made, grown and donated by HMP Stocken Prison.

Alex Wilby kindly delivered these to us. The students are very excited to plant them.

We are super proud of gardening club!
