

Bringing learning for life to life

Email system reminder:

As a school, we have moved our email system to be delivered via our iSams portal. You should have received information about this from the office. The teachers are sending daily communication via this portal which will be arriving in your email address box. If you are not receiving this daily communication from your child's class teacher, please let the teacher know. It may be that it is arriving in your junk mail and you need to add them to your safe senders list. You are able to reply to these emails as you usually would.
