Emotional health, child development and parent wellbeing

Lincolnshire | inourplace

Online learning courses—free of charge

Lincolnshire County Council, in partnership with the Solihull Approach, are offering free access to inourplace evidence-based online courses expertly designed by NHS professionals for all Lincolnshire families.

Click on the link below for access to some free courses and resources to support your understanding of your child's feelings and behaviour and to help raise them to be emotionally aware, sociable and confident. Courses are tailored to all stages of child development to help all family members through reflective, supportive learning without judgement.

Plus, specialist emotional and mental health learning for teenagers.

Careers and Labour Market update for Rutland:

Rutland has a strong local employment rate of **80.3%**, higher than the East Midlands average, with key opportunities across a range of industries. The top employment sectors include:

- **Public Administration, Education, and Health (30.8%)** – Ideal for those interested in teaching, healthcare, or public services.
- **Distribution, Hotels, and Restaurants (29.7%)** – Opportunities in hospitality, retail, and tourism.
- **Manufacturing (16.7%)** – Great for those pursuing engineering, design, or production careers.

Local employers like **Oakham School**, **Lands' End**, and other businesses provide a variety of career paths for young people. Additionally, apprenticeships and vocational training in the area are growing, giving students practical routes into skilled professions.

For support with career planning, **Oakham Library** offers Job Centre Plus services, including employment advice and IT skills sessions.

Stay informed, explore local opportunities, and plan your path to success!
