Summer Term 2

Issue 176 6th June 2025

WELCOME BACK!

Welcome back to Summer Term 2. We hope you had a lovely half term break. The students have come back ready to go for the final term of the school year.

Rutland County Show:

Gardening Club entered the Rutland County Show. The theme this year was to plant a pot, any size, that represented your school and the things you grow in your garden.

We chose a larger plot to be able to show case our hard work. We included our new 'in progress' wildlife pond. This was surrounded by gravel and ornamental grasses. We had herbs, potatoes, and a tomato plant. Next to these, we planted green beans and sweetcorn. At the front, we planted flowers to attract the bees.

Our entry was delivered to the showground and placed alongside the other entries. On Sunday 1st June, the show took place and we are delighted to announce that we achieved first placed for a second year running.
