## SAFEGUARDING TIPS FOR PARENTS

KEEPING CHILDREN SAFE IN A DIGITAL & REAL WORLD

**TALK & LISTEN**

- Encourage open conversations about their day, friendships, and worries
- Let them know they can always come to you – no matter what.

**STAY SAFE ONLINE**

- Set parental controls on devices
- Know their apps, games, and who they're talking to online. Teach them to never share personal information

**KNOW THEIR WORLD**

- Know where your child is, who they're with, and what they're doing
- Keep contact details for friends' parents and schools

**SPOT THE SIGNS**

- Watch for changes in mood, behaviour, or secrecy
- Trust your instincts – if something feels off, ask

**TEACH BOUNDARIES**

- Help children understand safe vs unsafe touch
- Use age-appropriate language to talk about consent and privacy

**YOU ARE YOUR CHILD'S FIRST LINE OF PROTECTION.  
STAY ENGAGED, INFORMED, AND INVOLVED.**

We look forward to sharing the outcomes with you once the report is finalised and published.
